Dear Prospective LAFCo Applicant:

Local Agency Formation Commissions (LAFCos) are independent governmental agencies responsible for promoting orderly development through the logical formation and determination of local agency boundaries. LAFCos implement the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (Government Code Section 56000 et seq.), which grants them broad authority to review, consider, modify, condition, and approve or disapprove requests for changes of organization, including annexations.

In reviewing any request for a change of organization, LAFCos must consider numerous factors such as, but not limited to, land use; the need for organized community services; the effect on the cost and adequacy of services in the area and adjacent areas; the ability of the city or district to provide services; the availability of water supplies; consistency with regional transportation plans and city/county general and specific plans; and the effects on agricultural lands. In addition, LAFCos must comply with laws pertaining to environmental protection, land conservation, public records, open meetings and taxation. The Ventura LAFCo has also adopted local policies which must be given great weight as part of its consideration of proposals. These policies, along with LAFCo's operational rules and regulations, are set forth in the *Commissioner's Handbook*, which is available on the LAFCo website: www.ventura.lafco.ca.gov.

Regardless of your agency's level of familiarity or experience with the LAFCo application process, we strongly encourage all prospective applicants to consult with Ventura LAFCo staff prior to submitting an application. Although the LAFCo application requirements are generally the same for each boundary change proposal, there may be exceptions depending on the complexity, scope, and location. During the pre-application consultation, a detailed explanation of the application requirements and all information necessary to process the request will be provided. Meeting all of the requirements in the initial application submittal is the best way to minimize processing time and costs. Generally speaking, it takes between three and four months from the time an application is submitted to the time it can be recorded (for proposals that are approved). However, it can take significantly longer if the application does not include all of the required information.

Pre-application consultations are available free of charge in most cases unless multiple meetings are required. Optimally, the consultation process should occur before your agency initiates the environmental review process and well before a resolution to initiate a change of organization is adopted. Please take advantage of the LAFCo staff to help make your LAFCo experience as efficient and cost effective as possible.

Sincerely,
Ventura Local Agency Formation Commission
