# **FINAL BUDGET**

**Fiscal Year  
2026-2027**

**ADOPTED: May 20, 2026**

**RESOLUTION OF THE  
VENTURA LOCAL AGENCY FORMATION COMMISSION  
ADOPTING A FINAL BUDGET FOR FISCAL YEAR 2026-27**

WHEREAS, the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (Government Code Section 56000 et seq.) requires the Ventura Local Agency Formation Commission (Commission) to adopt annually a Proposed Budget by May 1 and a Final Budget by June 15; and

WHEREAS, at a minimum, the Proposed and Final Budget must be equal to the budget adopted for the previous fiscal year unless the Commission finds that reduced staffing or program costs will nevertheless allow the Commission to fulfill the purposes and programs of the Cortese-Knox-Hertzberg Local Government Reorganization Act; and

WHEREAS, on April 15, 2026, the Commission adopted a Proposed Budget for Fiscal Year 2026-27 that is higher than the adopted Fiscal Year 2025-26 Final Budget; and

WHEREAS, the public and other governmental agencies had an opportunity to comment and the Commission considered adoption of a Final Budget for Fiscal Year 2026-27 on May 20, 2026.

NOW, THEREFORE, BE IT RESOLVED, DETERMINED AND ORDERED that pursuant to Government Code Section 56381, the Ventura Local Agency Formation Commission hereby:

- (1) Adopts the Final Budget for the 2026-27 fiscal year as set forth in Exhibit A attached hereto; and
- (2) Finds that the Final Budget as set forth in Exhibit A attached hereto will not result in reductions in staffing or program costs to such an extent that the Commission would be impeded from fulfilling the purpose and programs of the Cortese-Knox-Hertzberg Local Government Reorganization Act; and
- (3) Directs the Executive Officer to forward the Final Budget, as adopted, to all the independent special districts, cities and the County.

This resolution was passed and adopted on May 20, 2026.

## VENTURA LOCAL AGENCY FORMATION COMMISSION

### **BUDGET MESSAGE** **Final Budget - Fiscal Year 2026-2027**

Adopted May 20, 2026

#### **Introduction**

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (Government Code Section 56000 *et seq.*) (CKH) directs that each Local Agency Formation Commission (LAFCo) adopt a Proposed Budget by May 1 of each year and a Final Budget by June 15 of each year.

The Ventura LAFCo adopted a Proposed Budget on April 15, 2026, and this Final Budget on May 20, 2026. The Final Budget will be used by the County Auditor-Controller's Office to collect revenues as necessary from the County, cities and independent special districts.

The Ventura LAFCo Commissioner's Handbook, the compendium of the Ventura LAFCo's policies and procedures, contains budget policies in Section 2.3.1 *et seq.* The Adopted Final Budget for FY 2026-27 was prepared in accordance with these policies. As with previous budgets, budget goals are to minimize expenditures while fulfilling basic functions and to provide for effective and efficient compliance with mandates.

LAFCo and the County of Ventura entered into a Memorandum of Agreement effective July 1, 2001. While LAFCo is an independent agency, the Memorandum of Agreement provides that the County is to provide personnel, support services, offices and materials as requested by LAFCo. All of the personnel, support services, offices and materials to be requested of the County for FY 2026-27 are part of this Adopted Final Budget. Therefore, budget information is formatted using County of Ventura account descriptions and codes.

This Budget Message highlights LAFCo's key responsibilities, reviews the notable work accomplishments and budget information for the first three quarters of FY 2025-26, sets forth a basic work plan for FY 2026-27, and provides background and explanatory information about the anticipated expenditures and revenues in the Adopted Final FY 2026-27 Budget.

## Major LAFCo Responsibilities

## FY 2025-26 in Review

Based on information through the end of February 2026, total projected actual expenditures for FY 2025-26 are expected to be as follows:

| Description                 | FY 25-26 Adopted | FY 25-26 Adjusted | FY 25-26 Projected | Estimated Savings |
|-----------------------------|------------------|-------------------|--------------------|-------------------|
| Total Salaries and Benefits | \$ 813,950       | \$ 826,950        | \$ 832,500         | \$ -5,550         |
| Total Services and Supplies | 219,660          | 219,660           | 206,544            | 13,116            |
| Contingencies               | 103,660          | 90,360            | 0                  | 90,360            |
| <b>Total Expenditures</b>   | <b>1,136,970</b> | <b>1,136,970</b>  | <b>1,039,044</b>   | <b>97,926</b>     |

As shown above, the anticipated savings in Salaries and Benefits, Services/Supplies and Contingencies are projected to total \$97,926 for FY 2025-26.

Actual revenue for FY 2025-26 is projected to be approximately:

| Account Code | Description of Revenue    | FY 25-26 Adopted / Adjusted | FY 25-26 Projected | Estimated Surplus/ (Deficit) |
|--------------|---------------------------|-----------------------------|--------------------|------------------------------|
| 8911         | Interest Earnings         | \$ 5,000                    | \$ 8,000           | \$3,000                      |
| 9790         | Other Revenue (from Fees) | 10,000                      | 15,000             | 5,000                        |
| 9371         | Other Govt. Agencies      | 1,021,970                   | 1,021,971          | 0                            |
|              | <b>Total Revenue</b>      | <b>1,036,970</b>            | <b>1,044,971</b>   | <b>8,000</b>                 |

As shown in the table above, a projected total revenue surplus of \$8,000 is anticipated as part of the current budget due to an increase in anticipated revenue from fees combined with higher interest earnings than anticipated.

The projected \$97,926 overall savings in Salaries/Benefits and Services/Supplies and Contingencies along with the projected \$8,000 of revenue surplus results in a total projected unappropriated Fund Balance of \$105,926, which is \$5,926 more than the \$100,000 appropriated Fund Balance adopted as a part of the FY 2025-26 Final Budget.

The following bullet points comprise the work plan that was adopted as a part of the FY 2025-26 Adopted Final Budget. Substantial progress has been made on each of these work plan items, as discussed below:

- *Continue municipal service reviews and sphere of influence reviews/updates in accordance with the approved work plan.*

Staff continues to conduct sphere of influence reviews and/or updates in accordance with the approved workplan. Review of eight special districts have been completed with another 12 in progress.

- *Continue to review and comment on draft environmental documents and general plan updates as they may be prepared by the cities and the County.*

Over the course of the current fiscal year, LAFCo staff continues to review and/or comment on CEQA notices/documents, general plan updates, and development proposals that come within the purview of LAFCo. These include development proposals within cities and the unincorporated County area.

- *Maintain and enhance operations with a focus on communication with the Commission, the County, cities, districts and the public; budget monitoring and information; staff training and development; and enhanced records management.*

Staff keeps the Commission informed of notable events and items of interest through regular update memos, email correspondence, and regularly-scheduled meetings. Staff maintains positive communications and working relationships with all cities and districts. Staff attends

and participates in meetings with staff and consultants representing cities, special districts and other local public agencies as well as individual members of the public and community groups. As time allows, staff attends meetings of local and regional associations. In addition, staff improves the LAFCo website making it more user friendly with enhanced features and the ability to access city and district maps, and is pursuing the addition of additional short videos to better convey to the public the role and mission of LAFCo.

Staff routinely monitors the budget. An external audit of LAFCo's financial statements for the year ended June 30, 2025, was received and filed by the Commission on March 18, 2026.

- *Update and revise the Commissioner's Handbook and consider policy additions consistent with the mission and purpose of LAFCo.*

On an ongoing basis and as needed, staff identifies potential policy updates/revisions for Commission consideration.

- *Increase public awareness about the mission, purpose and function of LAFCo.*

Staff routinely meets with members of the public to discuss LAFCo's role in development. Staff also routinely meets with the staff of the County, cities, and special districts to discuss anticipated applications, sphere of influence reviews/updates, environmental documents, and other LAFCo-related activities. Staff also welcomes opportunities to discuss the mission of LAFCo with the public or other agencies.

### **Work Plan**

The Ventura LAFCo Commissioner's Handbook provides that LAFCo will annually review and adopt a work plan as a part of the budget development process. For FY 2026-27, the work plan maintains the focus on municipal service reviews and sphere of influence reviews/updates and is otherwise similar to the work plan for this fiscal year.

### **FY 2026-27 Work Plan**

- Continue municipal service reviews and sphere of influence reviews/updates in accordance with the approved work plan.
- Continue to review and comment on draft environmental documents and general plan updates as they may be prepared by the cities and the County.
- Maintain and enhance operations with a focus on communication with the Commission, the County, cities, districts, and the public; budget monitoring and information; staff training and development; and enhanced records management.
- Update and revise the Commissioner's Handbook and consider policy additions that are consistent with the mission and purpose of LAFCo.
- Increase public awareness about the mission, purpose and function of LAFCo.

Staff believes that the items listed above are realistic provided the number and/or complexity of applications filed remain generally consistent with recent fiscal years.

**ADOPTED FINAL BUDGET**

**Expenditures**

The expense portion of the budget is divided into three main sections, the Salary and Employee Benefits section (1000 series account codes), the Services and Supplies section (2000 series account codes), and Contingencies (account code 6101) (see tables on pages 13-14). Including a 10.0% contingency, the Adopted Final Budget reflects an overall expenditure increase of approximately 4.9% compared to the FY 2025-26 Adopted/Adjusted Final Budget, as indicated in the following table:

| Description        | FY 25-26 Adopted/ Adjusted | FY 26-27 Adopted | Increase / (Decrease) | Percent Change |
|--------------------|----------------------------|------------------|-----------------------|----------------|
| Total Expenditures | \$ 1,136,970               | \$ 1,192,465     | \$ 55,495             | 4.9%           |

Salary and Employee Benefits (1000 series of account codes)

Salaries and Employee Benefits continue to be the greatest expense, comprising approximately 73.0% of the total expenditures (more if contingencies are not included). In March 2025, the Commission approved the transfer of \$13,000 from Contingencies (account code 6101) to Regular Salaries (account code 1101) and related accounts to reflect a 3.5% general salary increase (GSI) that became effective in December 2025. The GSI was approved by the County Board of Supervisors in December 2025 and applied to most County employees covered by the Management Resolution, which includes LAFCo staff. The Board’s action also approved 3.5% GSIs for December 2026 and 2027. Expenditures for Salaries and Benefits are proposed to increase by approximately 6.0% as compared to FY 2025-26, as adjusted, as indicated in the following table:

| Description                 | FY 25-26 Adopted | FY 25-26 Adjusted | FY 26-27 Adopted | Increase / (Decrease) | Percent Change |
|-----------------------------|------------------|-------------------|------------------|-----------------------|----------------|
| Total Salaries and Benefits | \$ 813,950       | \$ 826,950        | \$ 875,450       | \$ 48,500             | 6.0%           |

The increase comes primarily from an anticipated increase to Regular Salaries (account code 1101), Terminations (Buydowns) (account code 1107), and a new account called Legacy Health Reimbursement Arrangement (account code 1172):

| Description                          | Acct Code | FY 25-26 Adjusted | FY 26-27 Adopted | Increase / (Decrease) | Percent Change |
|--------------------------------------|-----------|-------------------|------------------|-----------------------|----------------|
| Regular Salaries                     | 1101      | \$ 540,865        | \$ 556,500       | \$ 15,635             | 2.9%           |
| Terminations (Buydowns)              | 1107      | \$ 32,000         | \$ 51,500        | \$ 19,500             | 60.9%          |
| Legacy Health Reimburse. Arrangement | 1172      | \$ 0.0            | \$ 6,900         | \$ 6,900              | n/a            |

- Regular Salaries are anticipated to increase \$15,635 (2.9%) to reflect the six months in next fiscal year to which the December 2025 GSI is applicable (July 2026 – December 2026) and six months for the GSI which will become effective in December 2026 (January 2027 – June 2027).
- Terminations (Buydowns) cover County employees wishing to “cash out” a limited amount of vacation time each year, as allowed for in the Management Resolution. In December 2025, the County Board of Supervisors approved an increase in the number of vacation hours that can be cashed out each year. This increase reflects the additional hours that LAFCo staff plans to cash out next fiscal year.
- Legacy Health Reimbursement Arrangement is new to the LAFCo budget (as well as to the budgets for other County departments). This cost was approved by the Board of Supervisors in 2023 and became effective this year. It applies to certain County employees who did or will retire after July 2020 (which includes all current LAFCo staff). The costs will go toward a plan that provides retirees with a monthly healthcare subsidy to make up for reductions to pension benefits that resulted from a court decision several years ago.

The currently authorized and proposed classifications are reflected in the following table:

| Title                                  | FY 2025-26 | FY 2026-27 |
|--|------------|------------|
| Executive Officer                      | 1          | 1          |
| Analyst/Deputy Executive Officer       | 1          | 1          |
| Office Manager/Clerk of the Commission | 1          | 1          |
| <b>Total Authorized Positions</b>      | <b>3</b>   | <b>3</b>   |

Services and Supplies (2000 series of account codes)

The Adopted Final Budget for Services and Supplies is less than that in the Adopted Final Budget for the current fiscal year, as indicated in the following table:

| Description                 | FY 25-26 Adopted/ Adjusted | FY 26-27 Adopted | Increase / (Decrease) | Percent Change |
|-----------------------------|----------------------------|------------------|-----------------------|----------------|
| Total Services and Supplies | \$ 219,660                 | \$ 208,610       | \$ (11,050)           | -5.0%          |

The decrease comes primarily from a \$4,000 anticipated decrease to Travel Expense (Conferences / Seminars) (account code 2292):

| Description                             | Acct Code | FY 25-26 Adopted/ Adjusted | FY 26-27 Adopted | Increase / (Decrease) | Percent Change |
|---|-----------|----------------------------|------------------|-----------------------|----------------|
| Travel Expense (Conferences / Seminars) | 2292      | \$ 21,000                  | \$ 17,000        | \$ (4,000)            | -19.0%         |

- Travel Expense (Conferences and Seminars) covers costs associated with commissioner and staff attendance at the annual CALAFCO Conference and Staff Workshop, including

registration, hotel, and travel. CALAFCO will be hosting the 2027 Staff Workshop in Ventura, saving hotel and travel costs normally associated with the annual workshop.

It should be noted that certain expenses have been relocated among accounts, which may give the false impression of a cost savings. For example, for the current fiscal year, the \$4,500 cost for microwave services was budgeted under Radio Communications ISF (account code 2033). This cost is now found in Voice Data ISF (account 2032). For next fiscal year, it appears that there will be a \$4,500 savings in Radio Communications, however, this cost will now be reflected in an increase to the amount budgeted for Voice Data.

### Contingencies

In accordance with the Commission's budget policies, the budget should provide for contingencies equaling 10.0% of total expenditures, unless the Commission deems that a different amount is appropriate. Ten percent of the proposed total expenditures is \$108,405, an increase of \$5,045 from the current fiscal year (\$103,360).

### **Financing Sources**

Financing sources consist of Fund Balance and Miscellaneous Revenues (including interest earnings and application filing fees (e.g., account codes 8911 and 9790)) and Other Governmental Agencies (consisting of the revenue to be collected from the County, cities and independent special districts (account code 9371)).

### Fund Balance

Section 56381(c) of CKH provides, "If, at the end of the fiscal year, the commission has funds in excess of what it needs, the commission may retain those funds and calculate them into the following fiscal year's budget." As indicated in the "FY 2025-26 in Review" section above, approximately \$105,926 is projected to be available at the end of the current fiscal year to appropriate for the FY 2026-27 Budget.

In 2011, the Commission adopted budget policies to provide for the maintenance of a Litigation Reserve Account to cover unanticipated expenditures resulting from litigation against the Commission that does not occur routinely and would not be reimbursed by another party. In September 2023, the Commission amended its budget policies to: 1) increase the reserve balance to be maintained from \$100,000 to \$135,000 to reflect inflation from 2011 to July 2023, and 2) to increase the amount each year to reflect increases in the consumer price index (CPI). According to the Bureau of Labor Statistics, the average increase in the CPI for the Los Angeles region ending in January 2026 was 3.0%. This average was used to increase the proposed reserve amount \$4,297, from \$143,222 to \$147,519.

The policies also provide that excess fund balance remaining over and above the committed and assigned fund balances should be classified as unassigned. Currently the LAFCo General Fund does not include any assigned fund balance. The total unassigned fund balance for the current year is estimated to be \$562,176. Pursuant to Commission policies, an unassigned (and unappropriated) fund balance of approximately 60 days' working capital must be maintained. Based on the projected actual expenditures for FY 2025-26 (\$1,039,044), 60 days' working capital would be

approximately \$173,174 leaving another \$389,002 in unassigned fund balance. The proposed budget includes an appropriated fund balance of \$75,000.

Miscellaneous Revenue

Miscellaneous revenue includes interest earnings and other revenue, primarily application filing fees. The Adopted Final Budget for Miscellaneous Revenue is \$15,000, which is equal to the Adopted Budget amount for the current fiscal year.

The Commission has a policy to annually review the LAFCo fee schedule as a part of the budget process. A LAFCo fee schedule has been in effect since July 2010, and has been modified to reflect an increase in the hourly composite rate for next fiscal year.

Revenues from Other Governmental Agencies (the County, Cities and Independent Special Districts)

Pursuant to CKH, the LAFCo net operating expenses are to be apportioned one-third to the County, one-third to the cities, and one-third to the independent special districts. The Ventura LAFCo determines net operating expenses as the cost for LAFCo operations net of those funds appropriated for budget purposes plus Miscellaneous Revenue. CKH describes how the County Auditor-Controller is to make this apportionment and collect revenues once LAFCo adopts a Final Budget.

Though the Adopted Final Budget represents a 4.9% (\$55,495) increase over the current budget, the revenue projected to be collected from the County, the 10 cities, and the 29 independent special districts will increase 7.9% (\$80,495) from the current fiscal year (an increase of \$26,832 for each of three funding categories). This is due to the increase in anticipated expenditures. The table below shows how the amount of revenue from Other Governmental Agencies (the County, cities and independent special districts) has fluctuated since LAFCo first adopted an independent budget in June 2001. As shown in the table below, the amount of projected total revenue from Other Governmental Agencies for FY 2026-27 is at or above the 89% average over the previous five years.

| Year       | Adopted Budget –Total Finance Sources | Amount of Revenue from Other Governmental Agencies | Percent of Total Revenue from Other Governmental Agencies |
|------------|---------------------------------------|--|---|
| FY 2001-02 | \$548,737                             | \$468,737  | 85%   |
| FY 2002-03 | \$719,130                             | \$568,502  | 79%   |
| FY 2003-04 | \$641,215                             | \$390,699  | 61%   |
| FY 2004-05 | \$702,503                             | \$473,067  | 67%   |
| FY 2005-06 | \$723,226                             | \$361,874  | 50%   |
| FY 2006-07 | \$830,154                             | \$621,617  | 75%   |
| FY 2007-08 | \$949,269                             | \$715,957  | 75%   |
| FY 2008-09 | \$735,422                             | \$488,684  | 66%   |

Not formally part of the budget, but included for general information are the percentage shares of the Other Governmental Agencies revenue for each of the cities (Attachment 1) and the independent special districts (Attachment 2). City revenues and Special District revenues are based on the FY 2023-24 State Controller Reports. These are the most current reports available at this time. Should the State issue Cities and Special District Reports for FY 2024-25 before the end of June, the County Auditor-Controller’s Office will use those reports as the basis for collecting revenue from the cities and special districts for FY 2026-27. As a further means of comparison, Attachment 3 shows individual agency revenue allocation amounts as a percentage of each agency’s total revenue. Attachment 4 contains a comparison of each city’s and district’s allocation that was adopted for FY 2020-21 through the current proposed allocations for FY 2026-27.

CKH continues to provide the ability for the cities and independent special districts in each County to determine an alternate apportionment method. To date, however, neither the cities nor the special districts have agreed on any alternate apportionment methodology. This means that the City of Oxnard, as the city with the highest gross revenue, and Calleguas Municipal Water District, the largest special district in terms of gross revenue, will continue to pay the largest respective shares of the city and special district portion of LAFCo revenue.

**Conclusion**

The Ventura LAFCo is continuing to exercise fiscal prudence. Systems and policies are in place to ensure best practices and proper oversight. Mandates are being met and basic services provided with a highly-trained staff that seeks to limit discretionary expenditures. The Adopted Final Budget for FY 2026-27 was prepared and is consistent with the Commission’s policies and the knowledge and experience gained from prior years.

Glossary of Terms

**ANNUAL (OPERATING) BUDGET:** A financial plan that outlines proposed expenditures for the coming fiscal year and estimated revenues which will be used to finance them.

**APPROPRIATED FUND BALANCE:** A portion of existing fund balance that is incorporated into the subsequent year's budget to "balance" expected expenditures in excess of expected revenues.

**ASSET:** Resources with present service capacity that the government presently controls; for example, money, investments and property.

**ASSIGNED FUND BALANCE:** Comprises amounts intended to be used by the government for specific purposes; for example, appropriated fund balance. Intent can be expressed by the governing body or by an official or body to which the governing body delegates the authority to assign amounts to be used for specific purposes.

**AUDIT:** A systematic collection of the sufficient, competent evidential matter needed to attest to the fairness of management's assertions in its financial statements or to evaluate whether management has efficiently and effectively carried out its responsibilities.

**BALANCE SHEET:** Also known as a statement of net position, a basic financial statement, and presentation of an entity's net assets and liabilities on a specified date. A balance sheet is usually accompanied by appropriate disclosures that describe the basis of accounting used in its preparation.

**BUDGET:** A plan of financial operation including an estimate of proposed expenditures for a given period and the proposed means of financing them.

**BUDGET MESSAGE:** A written overview of the budget from the LAFCo Executive Officer that discusses the major budget items and LAFCo's present and future financial condition.

**COMMITTED FUND BALANCE:** Includes amounts that can be used only for the specific purposes pursuant to constraints imposed by formal action of the government's highest level of decision-making authority. Commitments may be changed or removed only by the same decision-making authority taking the same formal action that imposed the constraint originally.

**CONTINGENCY:** A budgetary expenditure allowance (appropriation) to cover unanticipated expenditures or revenue shortfalls during the fiscal year (LAFCo Budget Account Code 6101). The Ventura LAFCo Commissioner's policies provide that the annual budget include an allocation of 10% of total operating expenses for contingencies, unless the Commission deems a different amount appropriate. Transfers from the contingency account require prior approval of the Commission.

**DEFICIT:** An excess of expenditures or expenses over revenues.

**EXPENDITURES:** Under the current financial resources measurement focus, decreases in net financial resources not property classified as *other financing uses*; for example, disbursements of cash for the cost of salaries, benefits, services or supplies.

**FINANCIAL STATEMENT:** Presentation of financial data including balance sheets, income statements or any supporting statement that is intended to communicate an entity's financial position at a point in time and its results of operations for a period then ended.

**FISCAL YEAR:** The 12-month period to which the annual operating budget applies and at the end of which a government determines its financial position and the results of its operations.

**FUND BALANCE:** The difference between a fund's assets and its liabilities. With regard to a LAFCo budget, Government Code Section 56381(c) provides, "If, at the end of the fiscal year, the commission has funds in excess of what it needs, the commission may retain those funds and calculate them into the following fiscal year's budget."

**FUND:** A complete accounting entity reflecting financial transactions, both receipts and expenditures, of money that is set up to carry out a special function or attain objectives in accordance with established laws, policies, and regulations. The fund concept also applies to budget activities.

**GASB:** The Governmental Accounting Standards Board (GASB) is the ultimate authoritative accounting and financial reporting standard-setting body for state and local governments. The GASB was established in June 1984 to replace the NCGA (National Council on Governmental Accounting).

**INCOME STATEMENT:** Summary of the effect of revenues and expenses over a period of time.

**INTEREST:** Interest income earned as idle funds are invested with a goal of protecting each investment while achieving the highest rate of return.

**INTERNAL CONTROL:** Process designed to provide reasonable assurance regarding achievement of various management objectives such as the reliability of financial reports.

**INTERNAL SERVICE FUND:** A fund that accounts for the provision of services by various County departments on a cost reimbursement basis.

**LIABILITIES:** Present obligations to sacrifice resources that the government has little or no discretion to avoid; for example, amounts owed for items received, services rendered, expenses incurred, and assets acquired.

**LINE-ITEM BUDGET:** A budget that lists each expenditure category (salary, materials, telephone service, travel, etc.) separately, along with the dollar amount budgeted for each.

**OBJECT:** An individual expenditure account.

**FINANCING SOURCES:** Total amounts available during the fiscal year for appropriation including estimated revenues and appropriated fund balances.

**UNAPPROPRIATED FUND BALANCE:** The portion of fund balance remaining, following an approved budget appropriation of fund balance and any commitments.

<sup>1</sup>In counties in which there is city and independent special district representation on the commission, the county, cities, and independent special districts shall each provide a one-third share of the commission's operational costs. The independent special districts' share shall be apportioned in proportion to each district's total revenues as percentage of the combined total district revenues within a county. An independent special district's total revenue shall be calculated for nonenterprise activities as total revenues for general purpose transactions less aid from other governmental agencies and for enterprise activities as total operating and nonoperating revenues less revenue category other governmental agencies, as reported in the most recent edition of the "Special Districts Annual Report" published by the Controller, or by an alternative method approved by a majority of the agencies representing a majority of their combined populations.

<sup>2</sup>No independent special district shall be apportioned a share of more than 50 percent of the total independent special districts' share of the commission's operational costs, without the consent of the district. The share of the remaining districts shall be increased on a proportional basis so that the total amount for all districts equal the share apportioned by the auditor to independent special districts.
